Secondary mathematics early-career payments

Secondary mathematics trainees will receive 2 additional early-career payments of £5,000 each (£7,500 if teaching in specified areas of England) in their third and fifth year of teaching, if they have taught in a state-funded school in England since completing their teacher training course. These amounts are after tax, so teachers will receive the full amount as stated.

For more information, please read the [mathematics early-career payments](#) guidance.
