

Health/Arts Project: Type 2 Diabetes

Workshops used art/creativity to answer the following questions:

- What is Type 2 Diabetes?
- How does it affect us?
- Why is good health important?
- Who does it affect?
- What triggers Type 2 Diabetes?

Health/Arts Project: Type 2 Diabetes

OSCA Year 7 students raise awareness of the dangers of type 2 diabetes through art workshops and a shadow-puppet performance.
