

Dear Parent/Carer

We have had a fantastic start after returning from half-term two weeks ago, with lots going on here at OSCA.

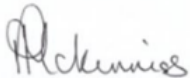

Last week, our Year 11 students completed their final round of mock exams before their GCSE's start in May. The students have been showing their commitment to learning by showing up for intervention sessions and studying hard to reach their potential. We want to thank all of them for their hard work, and our parents and carers for their continued support. While studying outside of school, students can access extra support through the school website, under the 'For Students' section.

World Book Day was on Thursday 6th March, and OSCA celebrated by handing out book tokens to each of our students. Staff participated by dressing up as their favourite book characters. We had some great costumes, including Where's Wally, Maleficent and Albert Einstein! Thank you to our staff for their great efforts with this.

Our brand new 3G pitch is officially in use! Work has been completed, and our students can now enjoy this new space in their PE lessons and extra-curricular clubs. We're launching this over the coming weeks, with tournaments being held for each year group after school. We started with Year 11 on Thursday and are excited to host our other year groups from Wednesday 12th March. If you'd like to see the space up close, head over to our social media and watch our announcement video.

I hope you have a restful weekend,

Kind Regards,

Mr P McKinniss
