BARRIERS TO SUCCESS IN HUMANITIES

- **Dealing with the amount of content across each subject**
- **Remembering tier 3 words for each subject**
- **Learning the expectations of each question**
- **Understanding how to write extended essays**
- **Time management**

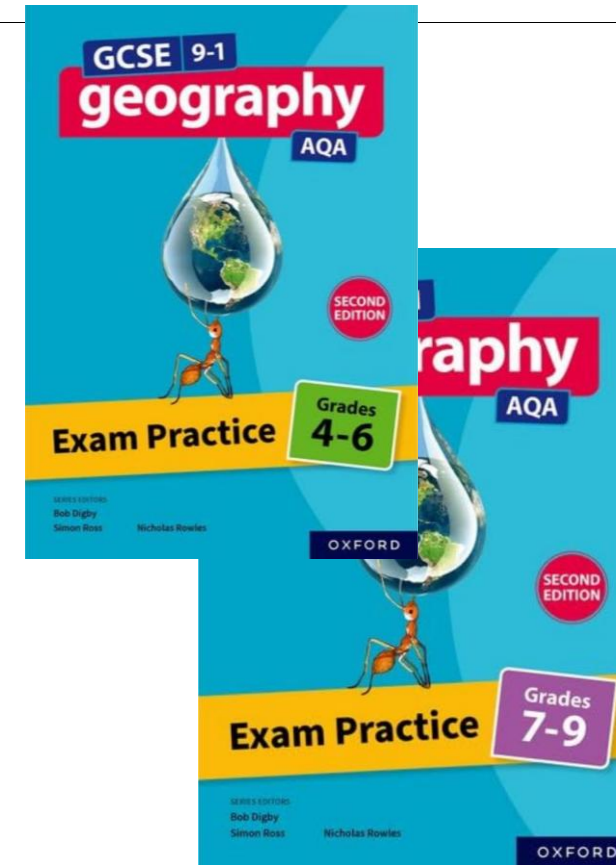

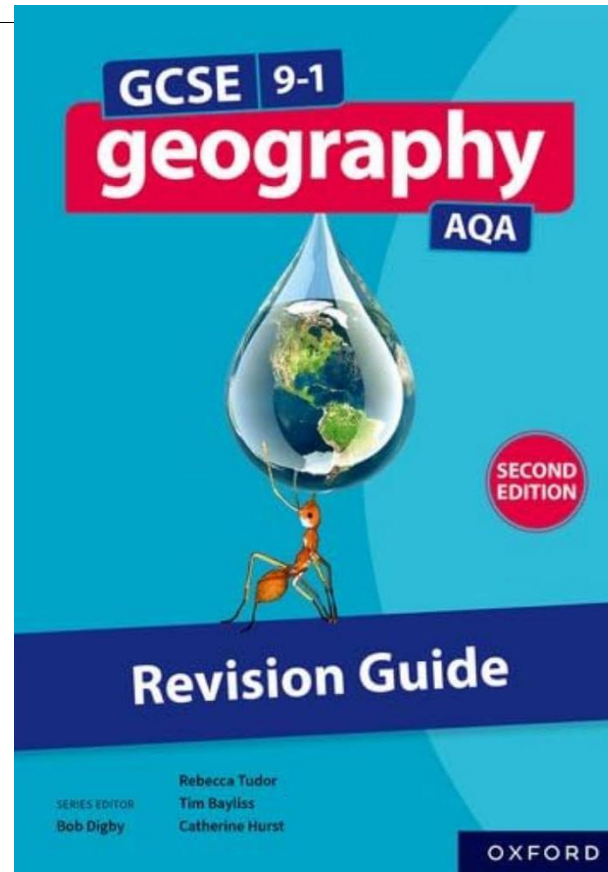

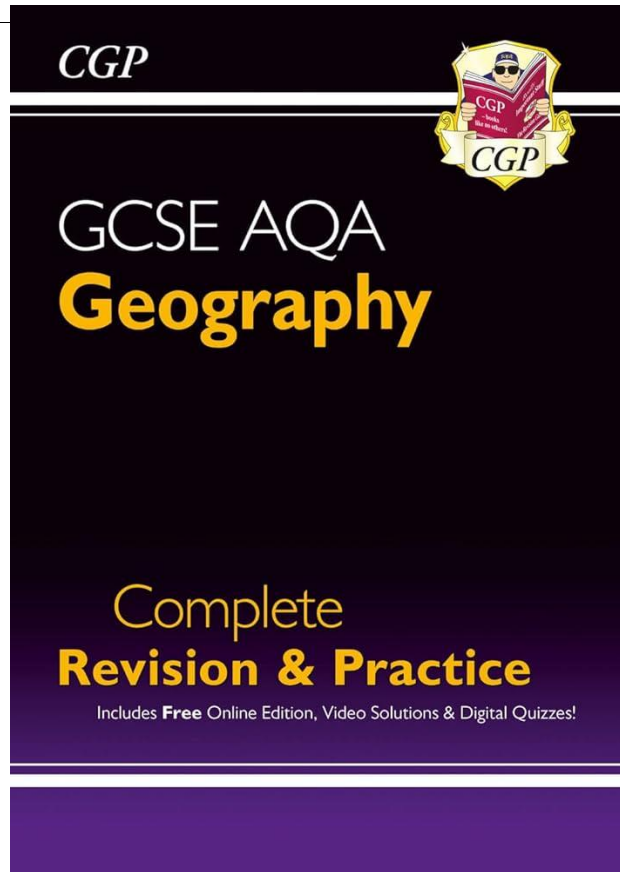

BARRIERS TO SUCCESS IN HUMANITIES

- Dealing with the amount of content across each subject - **use revision materials provided to break down content to revise, revise, revise. Attend intervention sessions**
- Remembering tier 3 words for each subject – **focus each lesson on the new learning; practise this at home; use the new words as often as you can.**
- Learning the expectations of each question - **Use the revision material, in lesson support to learn the techniques by heart**
- Understanding how to write extended essays **Ask for past papers/questions and practice at home; use AI for model answers before you practise**
- Time management - **in class, build the resilience by completing exam questions as quick as possible; complete past questions in exam conditions**

REVISION GUIDES AND WORKBOOKS- RE

MOCK EXAMS

- Students will be given papers that cover some of the topics that have been covered so far.
- Importantly, support will be given to direct students in their revision.
- It is important this is covered now so that it can be recalled in the summer more easily.
- Humanities subjects are heavy in content and **nothing can be left out.**

Students will be given feed back and they must act upon this

WHY SUCCESS MATTERS

Short term:

- You should be aiming to at least meet your minimum target grade in each subject.
- Colleges ask for minimum grades. The more grades above 4 (hopefully 5) the more chance of hitting your conditional offer. Don't leave it to chance on the day.
- If you want to do these subjects at A Level, minimum requirements are often a Grade 6

Long term:

- You carry these grades with you.
- You want to look back with no regrets.

WE ARE HERE TO SUPPORT YOU!

Intervention - every other week

AT PRESENT IT IS A WEDNESDAY

In class support

Lessons planned to the specification.
Regular testing of knowledge.

Practise exam skills.

Constant monitoring and then high expectations in class.

Out of class support

Online GCSE Past papers – regular practice.

Online revision videos – ask teachers for guidance here - Email staff.

Revision Guides and Workbooks.
