Re: Individual Photographs

Dear Parent/Carer,

We are pleased to inform you that Aperture Photography are going to be in school tomorrow (Tuesday 15th September) to take individual photographs of our Year 7 and Year 11 pupils.

These will be taken during the school day, and so will not impact their arrival and departure time to and from school.

Please could you support us by ensuring your child arrives in full OSCA Uniform, ready for their photo to be taken.

Your child will return home with a card which will contain details on how to view and order their photograph should you wish.

Later on in the year, we will also have whole year group photographs taken for Years 7 and 11, but will contact you with further information nearer the date. During this time, we will also hold a 'mop up' session for any students who are unavailable tomorrow.

If you have any queries, please don't hesitate to contact us at
OSCA_Info@ormistonsandwell.org.uk

Many Thanks,

TEAM OSCA
