Re: Christmas Dinner Day

Dear Parents and Carers,

Following the success of last years Christmas Dinner Day, we are pleased to announce that we will be hosting a Christmas Dinner Day again this year.

This will be a day of Christmas Celebration, incorporating a Christmas Jumper Day to raise money for 'Shelter' and a **free Christmas Dinner** provided to **all students who order one**.

The proposed date for Christmas Dinner Day is **Wednesday 9th December**.

In order for our catering staff to be able to accommodate this, it means that no other catering provision (including breaktime catering) will be available on Christmas Dinner day, and **any students who haven't booked their free Christmas Dinner, will need to bring in a packed lunch**.

There will be two options on the day - both served with a selection of vegetables, Yorkshire pudding, sage & onion stuffing, roast potatoes and vegetarian gravy:

- Traditional Christmas Turkey
- Vegetarian Meat-Free Alternative

If your child has any allergies, please just let us know in the comments section of the form and we will be happy to accommodate.

Pre-Orders must be received on or before **Monday 9th November** via the following link please: [Christmas Dinner Day 2026 – Fill out form](#) – you will need to complete 1 form for each child.

If you have more than one child at OSCA, once your first form has been submitted, please click 'submit another response'. This will take you back to the start of the form and allow you to complete it again for your next child.

If no response is received for your child before the above deadline, it will be presumed they do not want a Christmas Dinner, and that they will be bringing a packed lunch on Wednesday 9th December.

We must be very strict with the order deadline and will not be able to accept any orders after 9th November. This has been imposed by our food supplier as the latest possible date they can accept orders. We therefore need to adhere to this deadline in order to ensure that our produce is delivered on time.

Last year's Christmas Dinner Day was really well received and a fantastic celebration with our staff and students. We look forward to sharing this experience with as many students as possible, to bring a positive, festive day towards the end of term.

Kindest Regards

Leanne James
Operations Manager
