Re: November Attendance Initiative

Dear Parents and Carers,

We are excited to launch our November attendance initiative, **'Lights, Camera, Attend!'**

Any student who has **no more than one absence throughout November** will earn the opportunity to enjoy an afternoon watching a movie with their friends, complete with popcorn, instead of their normal lessons. This reward will take place during the first week of December.

The film will begin during the final lesson of the chosen day. Due to the length of some films, students will have the choice of leaving school at their normal finishing time or staying after school to watch the remainder of the film.

Thank you for your continued support in ensuring your child attends school regularly. Attending school every day is vital in supporting students' learning, progress and achievement, while helping them develop positive habits for the future.

We remain committed to recognising and rewarding the good habits of our students, and we hope this initiative provides some extra motivation to make every day count!

Can I also take this opportunity to remind you that students should be on school site by 8.20am daily and that there is some traffic due to roadworks in the local area so please remind students to allow extra time for these.

If you feel that your child would benefit from additional support with their attendance, please do not hesitate to contact the school. We are always happy to work with families to discuss any difficulties or barriers and explore how we can help.

Thank you once again for your continued support.

LIGHTS, CAMERA, ATTEND – EVERY DAY COUNTS!

Kind Regards,

TEAM OSCA
